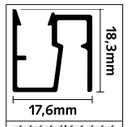
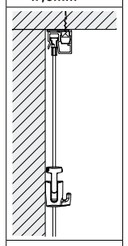
ceiling hanging systems

NEWLY R40 RAIL

20 kg p/m





10 YEAR WARRANTY

3 clips / m

The Newly R40 Up Rail is a sleek, high-quality ceiling picture rail engineered for environments where wall drilling isn't ideal or possible. Whether you're outfitting a retail window, gallery space, exhibition area or contemporary interior, this ceiling-mounted system offers a flexible, discreet and reliable way to hang artwork, signage and decorative objects. The R40 has a weight capacity of 40 kg per metre.

Manufactured from premium aluminium, the R40 Up Rail mounts directly to the ceiling using clip-on fasteners, making installation simple and unobtrusive. Its compact profile integrates seamlessly with any interior. The rail comes in a white primer finish (RAL 9016) that can be easily painted to match ceiling colours or design schemes, ideal for achieving a tailored, architectural look.
